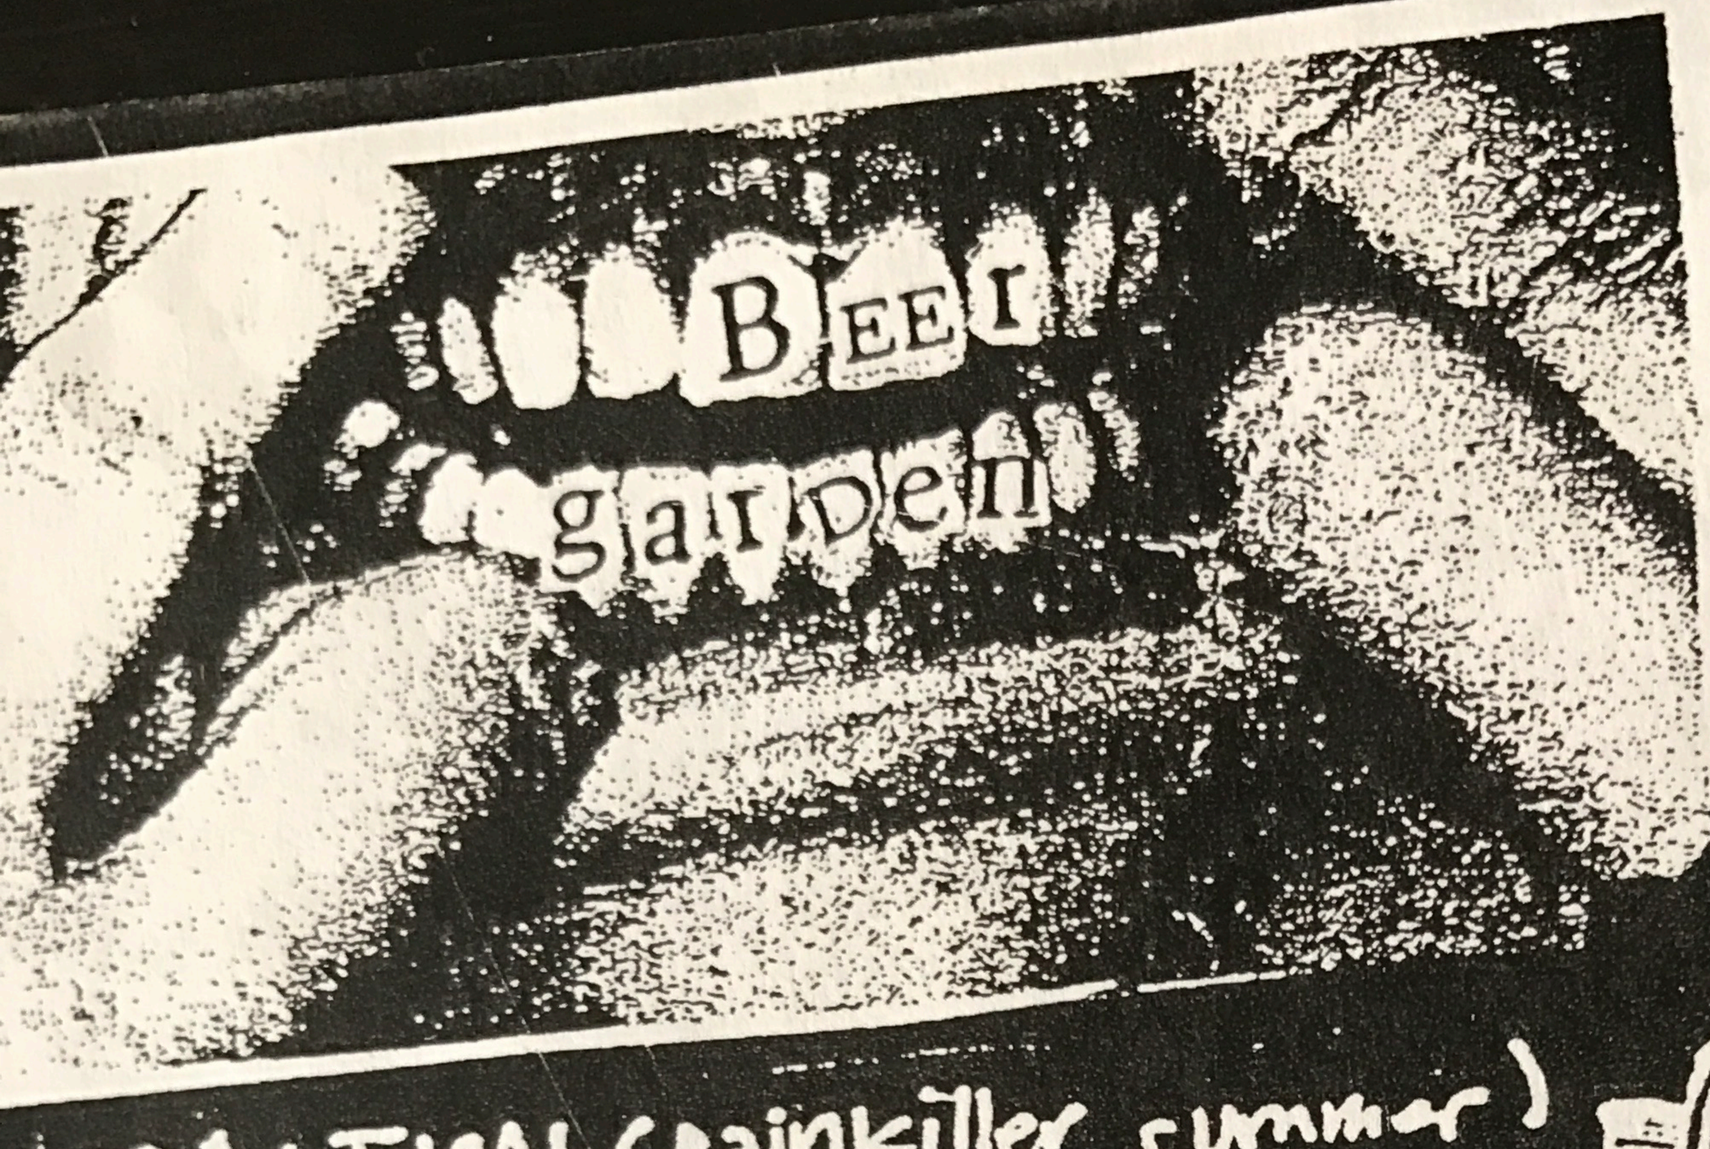
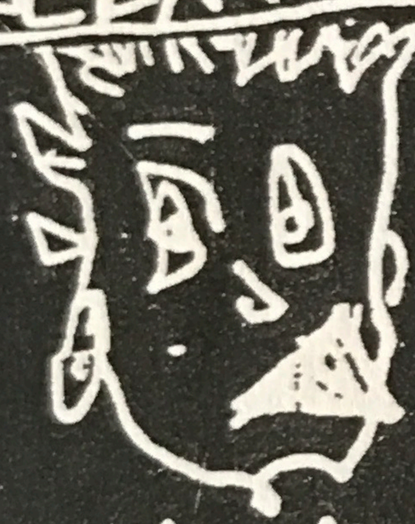
guitars

ALL SONGS BY BEER GARDEN



SEDATION (painkiller summer)



it's time to collect!
it's time to get wrecked!
it's time to forget what a shitty week i've had
all the little pills / yellow blue + white
which one should i pop / + have the most fun tonight

sedation! x3
they go down nice w. whiskey / maybe a beer or two
but careful stuffing them up yr nose / some people might disapprove
sedation!
